Dear Mr. Graham:

You now have the opportunity of
Saving a man's life; Raoul Wallenberg, an American
citizen, now in a Russian prison.

How can you help? Please try to get
word to President Ronald Reagan before Mr. Mikhail
Gorbachev comes to the U.S. (Dec. 6, 7, 1987).

President Reagan must bring up the subject to Mr.
Gorbachev - asking him to release Mr. Raoul Wallenberg.

It would make diplomatic relationships
go a lot more smoothly if Mr. Gorbachev showed his
good faith in America by freeing this man.

You may recall that President Reagan
signed the official document in 1981 that made Mr. Wallenberg
an honorary citizen of the U.S. (only one other person
ever received this honor Winston Churchill.)

The Russians keep saying that Mr. Wallenberg
is dead. However, a refugee, who was imprisoned in the same
prison with Wallenberg, claims he saw him alive.
Please do your best.

Kindest regards,
